WILD COMFORTS

Parents and children learn how to be safe in the woods cope with wilderness emergencies and have family fun in the outdoors. You will gain a solid foundation in wilderness survival skills and knowledge. Instruction focuses on our seven priorities of survival: positive mental attitude, wilderness first aid, shelter, fire craft, signaling, water, and food.

FREQUENTLY ASKED QUESTIONS

What experience do I need to attend this course? Outdoor experience levels do not matter. We have students with no experience to weekend hikers to warriors of the wilderness. Everyone learns valuable information in this course. You will leave prepared to help yourself and others while on any adventure.

What is the age requirement of this course? The recommended minimum age for children is 10. However, if your 8-9 year is mature and is interested in the outdoors, exceptions can be made. Let's talk about it.

What time does the course start and end? Arrival time is by 9:30 Saturday morning. The course concludes by 1:00 on Sunday. If you prefer to travel on Friday, you can stay at the lodge. \$50 includes a bunk and breakfast for two. \$15 for each additional person in your group. Group, semi-private and private rooms are available. Contact us for reservations. Payment due when you leave.

Do I need to bring a child? Adults without kids are most welcome to attend this course.

Is the course taught outside? The training camps are setup outside held under parachute canopies. The Virginia location courses are held on Mountain Shepherd's gorgeous 100 acre property bordering the Jefferson National Forest.

Do I sleep under the stars? This is your adventure! You can sleep in a tent, a hammock, a shelter you improvise or stay in the lodge. The choice is yours.

What is the weather like? Local weather is so hard to predict. Best to watch the forecast for zip code 24070. You can store extra clothes and gear at the lodge.

Do I get to eat bugs? You will learn which bugs are edible and how to find them. Eating them is optional! For lunch/dinner we recommend dehydrated meals that require boiling water. Pack some jerky and trail mix for snacking and you're all set. Or shop when you arrive. Our store stocks a large variety of Mountain House meals along with Honey Stinger energy bars, chews, gels and waffles.

Do I need to buy a lot of gear? The only required items are weather appropriate clothing and comfortable tennis/walking/hiking shoes or boots. You don't need to buy a thing. The equipment list includes gear you should always have with you on an outdoor adventure. Bring what you have or borrow from us. No need to buy any new gear prior to coming to a course. We have everything you'll need. It's best to borrow before you buy. Part of the training includes gear recommendations for your personal survival kit.

What should I leave at home? Hatchets, machetes, firearms, drugs and alcohol.
